

2010 Spirit of Life® Honorees

The *Spirit of Life*® Award is City of Hope's highest honor. It is given to individuals to celebrate their philanthropy and impact on our mission and our patients. The award is presented to an industry, chapter or community leader and recognizes a lifetime of personal

and professional achievement in advancing City of Hope's lifesaving work. These individuals share a deep commitment to advancing scientific research that will improve treatment for patients everywhere.
