

## Lions Clubs International Recognition Form

### Honoring Our Donors

Caring individuals enable City of Hope to advance innovative research that improves medical care for patients everywhere. We are dedicated to providing recognition that is as special and meaningful to the donor as their support is to the future of medicine. Donor recognition is a way to leave a legacy of caring and compassion for those who need it most, letting patients and their families know that you are devoted to helping them in their time of crisis. It is also a way to lead by example, with your philanthropy inspiring the generosity of others.

The following are giving levels and examples of recognition available for your consideration. All recognition recipients will be honored at the following year's Lions Tribute Day at City of Hope.
