14TH ANNUAL
TASTE
2020 OF
HOPE

presented by

City of Hope's
Music, Film &
Entertainment
Industry

Enjoy dinner in an elegant setting and participate in silent and live auctions featuring a distinguished selection of wines from the world's finest private collections.

City of Hope®

In a philanthropic effort that strikes just the right note on the wine connoisseur's palate, members of the Music, Film & Entertainment Industry gather in New York each year for Taste of Hope. Attendees savor an exclusive dinner and support City of Hope through a live and silent auction featuring a selection of distinguished vintages from some the world's finest private collections. In its 13 year history, the event has raised more than \$3 million. The event is chaired by Alissa Pollack (EVP, Global Music Marketing, iHeartMedia). A portion of the funds raised at the 14th annual Taste of Hope will go to the Jason Pollack Memorial Fund at Musicians on Call, a program that supports music programming for patients and their families at City of Hope.

City of Hope is a leading research and treatment center for cancer, diabetes and other life-threatening diseases. Designated as a comprehensive cancer center, the highest recognition bestowed by the National Cancer Institute, City of Hope is also a founding member of the National Comprehensive Cancer Network, with research and treatment protocols that advance care throughout the nation. Our scientists work with doctors to treat both the physical and emotional needs of our patients. By attending to the individual, not just the illness, your life afterwards can be fuller and more rewarding. At City of Hope, we combine science with soul to make medical miracles every day.
