

PRINT A WISHING TREE TAG FROM HOME

Instructions:

1. Print this page on colored paper. Cut out the tag and punch a hole at the top.
2. Write your wish for a loved one on the tag. Your wish can be a message of strength, resilience or encouragement. The only requirement is that it's from the heart.
3. Tie a loop of string through the hole. Hang from a place that is special to you and share your wish with us on social media. [#HopeLivesinOC](#)
