Communication Training in Oncology

Interprofessional Communication Curriculum

Communication Training in Oncology

Thank you for your interest in attending the Interprofessional Communication Curriculum (ICC) Course. We are grateful to the National Cancer Institute (NCI) for funding this project and for promoting communication skills training and education in oncology settings. The purpose of this train-the-trainer course is to provide interprofessional communication training to nurses, social workers, and chaplains working in adult oncology settings and to help prepare them to provide communication skills training at their home institutions.

This NCI sponsored education project provides funding for the following:

- Course attendance: registration, course materials, breakfast, lunch, and snacks for the three days
- 14.5 CEs for attendance at all three days of the course
- Three nights of lodging that will be paid directly by ICC to the hotel (Hilton Vancouver Washington)
- 1-year access to ICC Online Learning Modules via *Relias Learning Academy* (provided after course completion)

*NOTE: Travel expenses (airfare, mileage, transportation, hotel parking) will **NOT** be covered and will be the responsibility of the applicant and/or their workplace.*

Qualifications to apply include:

- Nurses, social workers, and chaplains working in adult oncology only
- Clinicians are to **apply and attend in teams of two** with a partner of a different discipline (ex. nurse & chaplain)
- Only one team per unit/department per institution
 - Exceptions to the above three qualifications will be made on a case by case basis. Please contact the ICC team if you have any questions at ICC@coh.org
- Since this is grant funded by the NCI, we are unable to accept any international applicants. All participants must work at an institution in the United States.
- The content level of the course material is beginner to intermediate.

Participant Commitments:

- Attend all 3 days of the course. No late arrivals or early departures. No partial CEs will be given.
- Agree to attend one, one-hour webinar monthly for one-year post-course
- This project requires mandatory follow-up evaluations at six- and twelve-months post-course

Course Objectives:

After attending the course, participants will be able to:

- Identify the 8 domains of quality palliative care applicable across all stages of cancer.
- Demonstrate skills in key clinical areas of communication through lab sessions.
- Develop goals for implementing the skills training in practice through process improvement, staff education, and clinical care.

CE and Course Completion Requirements:

- ICC will provide 14.5* Continuing Education credit to licensed participants (nurses and social workers only). Unlicensed participants will receive a Certificate of Attendance.
- To earn CE credit, participants must attend the entire course, sign-in daily (**and sign-in out if you are a social worker**) and complete a daily course evaluation. Certificates will be emailed within 10 days of the course.
*This is subject to change & you must be present all 3 days to receive CEs – no exceptions. Plan travel accordingly.

Application Instructions

Please read the instructions below carefully and address all required information. Use the checklist provided to make sure that all required information is included in your application. **Only one application per team.** Some sections of the application are to be completed together as a team and other sections are designated for each individual partner to complete. Please coordinate with your partner to ensure all sections are completed. Incomplete applications will not be considered

The application has been formatted electronically using REDCap. You have the ability to save your application and complete it at another time. You will be given a return code with the option of having it emailed to you. Please do not start multiple applications – use your return code to continue working on your original application.

Application Deadline: Early bird applications are due by Friday May 6, 2022.

When you apply by the May 6 deadline, we will review your application early. Based on our evaluation criteria, you will either be accepted or have your application returned for revisions. Applying early will allow you to plan your time off and travel arrangements in advance.

Acceptance notices will be sent out weekly as applications are reviewed. All additional information about this project is available in this brochure. Once accepted, participants will receive further information. For all questions regarding assistance in completing the application or the overall project, please contact ICC@coh.org

Frequently Asked Questions

We are required to include these statements by the City of Hope Institutional Review Board (IRB).

- 1. WHO WILL TAKE PART IN THIS EDUCATION PROJECT?** This study is designed to train interdisciplinary oncology teams in communication skills. About 450 clinicians will participate nationally over 5 years. Participants will be chosen competitively, based on experience and goals.
- 2. WHO IS RESPONSIBLE FOR THE PROJECT?** The person in charge of this project is Dr. Betty Ferrell, City of Hope (COH) Medical Center, Division of Nursing Research and Education. There are other people on the project team assisting at different times.
- 3. WHAT IS THE PURPOSE OF THIS PROJECT?** The goal of this Cancer Education skills development program is to apply an interprofessional communication curriculum, which has been pilot-tested to provide both an online and classroom instruction format, and to deliver, evaluate, and disseminate findings at national workshops aimed at improving communication in cancer care. The focus is on training the clinical workforce to improve communication.
- 4. WHERE IS THE PROJECT GOING TO TAKE PLACE AND HOW LONG WILL IT LAST?** The course will be held for 3 days in different regions of the country for maximum recruitment and to reduce travel costs.
- 5. WHAT WILL YOU BE ASKED TO DO DURING THE COURSE?** The train-the-trainer course is organized by the palliative care domains, as defined by the National Consensus Project (NCP) for Quality Palliative Care. Days 1 and 2 are organized by each domain. Each session will include diverse teaching strategies including lecture, discussion, video clips, case studies, and other adult-learning strategies. Day 3 is devoted to skills enhancement, building on the content of the two prior days. Day 3 is conducted in small groups with skills application. To develop a network among course participants, the ICC project team will plan 1-hour webinars, monthly, to continue the education and provide support for course participants. These webinars/conference calls will be scheduled at two different times each month, to accommodate schedules and time zones. Each session is offered at no cost to the participants. You will be contacted at 6- and 12-months post-course to complete a 30-minute electronic follow-up survey.
- 6. WHAT ARE THE POSSIBLE RISKS AND DISCOMFORTS?** To the best of our knowledge, the things you will be doing have no more risk of harm than you would experience in everyday life.
- 7. WILL YOU BENEFIT FROM TAKING PART IN THIS PROJECT?** Some people may experience improved performance, communication, and leadership skills after attending the course. You will not benefit from taking part in this project. However, your willingness to take part in this project may in the future, help society better understand this topic.
- 8. DO YOU HAVE TO TAKE PART IN THE PROJECT?** If you decide to take part in the project, it should be because you want to participate. You will not lose any benefits or rights you would normally have if you choose not to participate.
- 9. IF YOU DON'T WANT TO TAKE PART IN THE PROJECT, ARE THERE OTHER CHOICES?** If you do not want to be in the project, there are no other choices except not to take part in the project. Please contact the ICC Team at ICC@coh.org.
- 10. CAN YOUR PARTICIPATION IN THE PROJECT END EARLY?** If you decide to take part in the project you still have the right to decide at any time that you no longer want to participate.
- 11. WHAT WILL IT COST YOU TO PARTICIPATE?** Travel expenses are the responsibility of the participant/their organization. You will have to pay for airfare, parking, and other meals outside of the course. You will receive breakfast and lunch during the 3 days of the course. A stipend up to \$600.00 will be applied to 3 nights lodging at the course hotel. Additional nights will be at your own expense.
- 12. WILL YOU RECEIVE ANY REWARDS FOR TAKING PART IN THIS PROJECT?** You will not receive any compensation for your participation.
- 13. WHO WILL SEE THE INFORMATION THAT YOU GIVE?** We make every effort to keep confidential all records that identify you to the extent allowed by law. The completed surveys will not contain any information that could identify you. Your information will be combined with information from other people taking part in the project. When we disseminate data or write about the project, we will use combined information that we have gathered. You will not be personally identified in these written materials. We may publish the results of this project; however, we will keep your name and other identifying information private. We will make every effort to prevent anyone who is not on the team from knowing that you gave us information, or what the information is. All data will be maintained in a locked file cabinet in the locked office of the PI. The PI will have keys to the cabinet. No personal identifiers will be used in the dissemination of this project.
- 14. WHAT ELSE DO YOU NEED TO KNOW?** There is a possibility that the data collected from you may be shared with other investigators in the future. If that is the case the data will not contain information that can identify you unless you give your consent or the Institutional Review Board (IRB) approves the project. The IRB is a committee that reviews ethical issues, according to federal, state, and local regulations, to make sure the project complies with these.
- 15. WHAT IF YOU HAVE QUESTIONS, SUGGESTIONS, CONCERNS, OR COMPLAINTS?** If you have questions, suggestions, concerns, or complaints about the project, you can contact the team through email ICC@coh.org or (626)218-2346.
- 16. CONSENT TO PARTICIPATE** By submitting this application, you are agreeing to participate in the project.
