#### **Board Review**

- ASCO Comprehensive Assessment, MDA Board Review Video, and Hemonc Q-bank.

#### **Case Conference**

- Case based discussion and a deep dive into a topic of your choice. If no case than that is fine too but the topic should be detailed Expecting a 45-50 minute talk.

#### **Research Update**

- Formal research presentation on topic of your choice, should ideally be update on current project. Invite research mentors and any relevant faculty. Prepare to answer questions about project as well as methodology.

#### **Medical Oncology Inpatient Report**

- Present Case
