CALL FOR
PARTICIPANTS

Effects of Tobacco Products and Alcohol Use

We are inviting persons:

- Between 21 and 65 years old
- Who have never received a cancer diagnosis (except skin cancer)
- Who do not have lung illnesses

Participation involves:

- Completing a 20-minute questionnaire about you (e.g., age) and your lifestyle, including use of alcohol and any tobacco products (e.g., smoking, vaping)
- Providing about 2 tablespoons of blood to test for changes in your cells

Your participation is voluntary, and all information will be kept strictly confidential. You can receive up to \$40 in gift certificate(s) for participating.

If you are interested in taking part or for more information, please call Sophia Yeung, M.H.A., at (626) 535-3983, or email smokingcessation@coh.org.
