Wednesday, March 27, 2024

9:00 am – 11:00 am

CBRE's New Century City Office

2000 Avenue of the Stars, Ste. 800, Los Angeles, CA 90067

featuring guest speaker, Spencer Levy, Global Client Strategist & Senior Economic Advisor, CBRE along with other senior professional panelists.

Founded in 2011, Building Hope is the emerging leaders' council partner of City of Hope's Los Angeles Real Estate & Construction Council (LARE). Since Building Hope's creation, our group has raised over \$1.2 million to support City of Hope's fight against cancer. Both councils are comprised of industry leaders from all sectors of the commercial real estate industry, with Building Hope as a community of leaders under 50 years of age who host several fun and meaningful networking events each year.

**RSVP by visiting the membership site [here](#) by March 22
and clicking on the register/donation button.**

When you become a Building Hope Member, admission is free. All other guests and prospective members are asked to pay a \$200 donation fee [here](#).
