COMPLIMENTARY SELF-PARKING

Complimentary self-parking is available in the P2 parking structure located near our facility on the corner of Alton Parkway and Hoag Irvine Drive.

The parking structure can be entered from an access road off Alton or directly off Hoag Irvine Drive. Please note that the entry point off Alton Parkway is an entrance only.

ADA parking and EV charging stations are available on the first level of the parking structure. In addition, complimentary valet parking is available at the entrance of the building.

Please note that City of Hope has two facilities in Irvine. When accessing driving directions via a navigation tool (e.g. Apple Maps, Google Maps, Waze, etc.), please make sure to choose the Sand Canyon Drive location and not City of Hope Orange County Lennar Foundation Cancer Center on FivePoint Road.
